

NOZZLE MODULE SPARE PART KIT - WEAR PARTS

MACHINE	EL900 (P27/P37)	EL900 (P32/40/50)
Feed screw assembly	KP-5	KP-4
Wear bushing	L400415W	L400135W
Hollow core sleeve	according to the slab cross-section	
Mass guide	P226080V	
Mass guide high P37	P637841V	
Mass guide high		P222428V
Mass guide plate high		P222427

The nozzle module spare part kit includes wear parts based on the plate type and is available for EL900 machines.

We supply the spare part kit as original parts directly from our Vantaa (FI) warehouse. For feed screws, we also offer in-house manufactured parts with improved wear resistance.

OUR SERVICES FOR INDUSTRIAL NEEDS

KP CRANES

INDUSTRIAL AND OVERHEAD CRANES

There are various lifting needs in the industry for which we can find an agile and reliable solution, even custom-made if necessary. Our smart solutions for crane lifecycle management support data-driven decision-making. With our crane remote monitoring services, you are informed of upcoming crane maintenance based on the crane's actual use and lifts.

KP CRANE INSPECTIONS

CRANE INSPECTIONS

Predictive maintenance and periodic inspections always provide e.g. a good overall picture of the condition of a overhead crane. Planned maintenance before the inspection ensures that there are no issues requiring separate service visits. This way, both risks and costs are anticipated and managed, while also ensuring the uninterrupted operation of the crane.

KP SERVICE

INDUSTRIAL MAINTENANCE

At the core of our expertise is still the maintenance of production plants, focusing on equipment maintenance and spare parts services for the precast concrete industry, as well as modernizations. Additionally, you can benefit from our professional expertise in various heavy industry projects and shutdowns.

KP PARTS

SPARE PARTS AND CONSUMABLES

High-quality spare and consumable parts enable successful maintenance for your equipment, ensuring safe operation and a long lifespan. Our spare parts service offers fast delivery times and good availability, helping you optimize the maintenance window. Our range includes spare and consumable parts for hollow core casting machines, production equipment, and overhead cranes.

Fast and high-quality service is ensured by strong local expertise and our comprehensive service network. KP-ServicePartner Oy is a Finnish family owned company, which was established in 2003. We operate in 14 locations in Finland, employing around 100 industrial professionals.
